

# STEM IN MOTORSPORTS

WE'RE CREATING A NONPROFIT TO SPEARHEAD OUR STEM IN MOTORSPORTS PROGRAM FOR BOTH MIDDLE SCHOOLS AND HIGH SCHOOLS. WE'LL BE RAISING MONEY FOR SCHOOLS TO HAVE RACING SIMULATORS INSTALLED AND/OR SEAT TIME AT A LOCAL PARTICIPATING SIM CENTER. THIS PROGRAM IS A NATIONAL CAMPAIGN.

**ALL US SCHOOLS ARE ELIGIBLE**

**LAUNCHING NOVEMBER 2025**  
**ONSITE DISPLAY AT SEMA IN LAS VEGAS**

## EARLY BOARD MEMBERS AND FOUNDERS

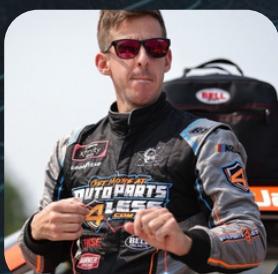

**JOEL HAMILTON**  
**FOUNDER VIRTUAL2REALITY.TV**  
**13YRS IN THE SIM RACING INDUSTRY**  
**SCHOOL RECRUITING/CURRICULUM/GRAANTS**

**PATRICK LOSEY**  
**TRACKSIDE ENGINEER**  
**HONDA RACING CORPORATION (HRC)**  
**RACE DATA/STRATEGY/CURRICULUM/WEB DESIGN**

**DAVID O'CONNELL**  
**EXECUTIVE DIRECTOR**  
**VRX SIMULATORS**  
**SPONSORSHIP/PARTNERSHIP FUNDING**

**MATT JASKOL**  
**PROFESSIONAL RACING DRIVER / PERFORMANCE**  
**DRIVING INSTRUCTOR**  
**HIGH SCHOOL GO KARTING DRIVER RECRUITMENT**

**DEKOTA FRIPP**  
**BRONCO MOTORSPORTS DRIVER**  
**FSAE PROGRAM COMPETITOR**  
**BRIDGING PROGRAM TO FSAE SCHOOLS**

## Join the Founding Team at [Race4Success.org](https://Race4Success.org)

### Built for Purpose. Driven by Passion.

Race4Success.org is forming a select founding team of leaders, educators, innovators, and motorsport enthusiasts who believe in using motorsports as a gateway to STEM education and real-world learning.

We're launching a nonprofit that connects students, schools, and racing technology to teach teamwork, innovation, and career-ready skills — all through the excitement of competition.

#### Why You're Being Invited

You're not being asked to fit into a box. You're being invited because your strengths already align with what we're building. Every founding member of Race4Success.org will have a natural lane — contributing where they excel and helping shape programs that feel authentic and exciting.

#### Our Founding Team Vision

Each board member brings a different kind of horsepower:  
Educators & STEM Leaders — bringing curriculum expertise and school relationships.

Motorsport & Esports Professionals — connecting competition with education.  
Creative & Marketing Minds — telling our story and attracting the next generation.  
Business & Sponsorship Experts — ensuring sustainable funding and partnerships.

Community Builders & Youth Mentors — keeping our programs people-centered.  
Together, we'll ignite a movement that makes learning interactive, competitive, and career-focused.

# Your Role as a Founding Member

We're seeking a small team of committed founding board members who will:

**Guide the mission** — shaping programs and outreach strategy.

**Provide insight** — using your expertise to help Race4Success.org grow.

**(Optional)** Make or help raise a small contribution (\$500–\$1,000) to support startup expenses like filing, branding, and the initial program launch.

**This contribution is completely optional** and in no way defines your commitment — it simply accelerates our ability to move fast and seize early opportunities like our upcoming SEMA and SKUSA Super Nationals activations in Las Vegas.

## What You'll Help Launch

A national STEM + Motorsports program for schools

Student racing teams that compete in simulators as part of learning

A network of partners and sponsors who believe in using motorsports to educate and inspire

## The Road Ahead

Race4Success.org will debut at two major events this season:

SEMA Show – Inside the VRX SpeedFest exhibit, demonstrating how racing simulators can transform classroom learning.

SKUSA Super Nationals – Recruiting the first wave of student ambassadors and introducing motorsport-based education to new schools.

These events are our starting line. The real race begins when we launch our first full-scale school program — and we want you to help lead the way.

## Ready to Join the Founding Team?

Be part of something that changes how students learn, collaborate, and dream.
